Of course being in New York is exciting, right? –with so much going on all the time. But I’m sure there are also some things that you don’t like so much about it.

- *9th ave paving example*

With your partner, discuss what you *don’t* like about being here or getting here. What’s the biggest problem one of you has had?

4 - GIST (S)

- *board first question for DETAIL*

“What did you get? Good.”

- **board** “*We aren’t efficient enough*”

Is this negative or positive? (negative)

How can we make this positive?

If it’s negative, is there a problem? (yes)

Do we need to be more efficient or less efficient? (more)

How about if it’s positive? Is there a problem? (no)

Drill:

- “**We aren’t efficient enough.**”
- “**We worry that we’re too slow.**”
- “**There are always too many things.**”
